Ever since the night of July 23 when the prospective bride was pushed to one side by her irate father who fired a shotgun after the two Oriental Lotharios, Kim Paw has met with a succession of reverses.

When he appealed for a writ of haleas corpus and the girl was brought before Judge Cooper, she denied acquaintance with the Korean; the father was hailed before Judge Monsarrat on a charge of assault with a leadly weapon and discharged; he in turn swore out a warrant against Kim Faw and his confederate, Kim Sui Yune, charging the pair with vagrancy with the result that they were found guilty of the charge this morning and sentenced to one month apiece in prison.
